

CLOUD^X

COOL FAN

**COOLING
REIMAGINED**

HEALTHY, POWERFUL, SILENT

Cloud X utilizes piezoelectric technology to transform water into refreshing, cloud-like nano particles, providing natural cooling for your space, silently.

A POWERFUL COOL COMPANION

Effortless Cooling

Cloud X's innovative 'Cloud technology' delivers cloud infused air, mimicking a natural breeze for instant cooling relief.

Portable and Versatile

Lightweight and equipped with casters for easy movement around your home or office.

Boosted Cooling with Ice

Enhance your cooling experience by adding ice to the water.

Point Anywhere Remote Control

Control Cloud X from the comfort of your couch using our RF remote control.

Long-Lasting Cooling

Enjoy up to 8 hours of continuous cooling on a single fill. The 5-liter tank is easy to refill for uninterrupted comfort.

Aromatic Cooling

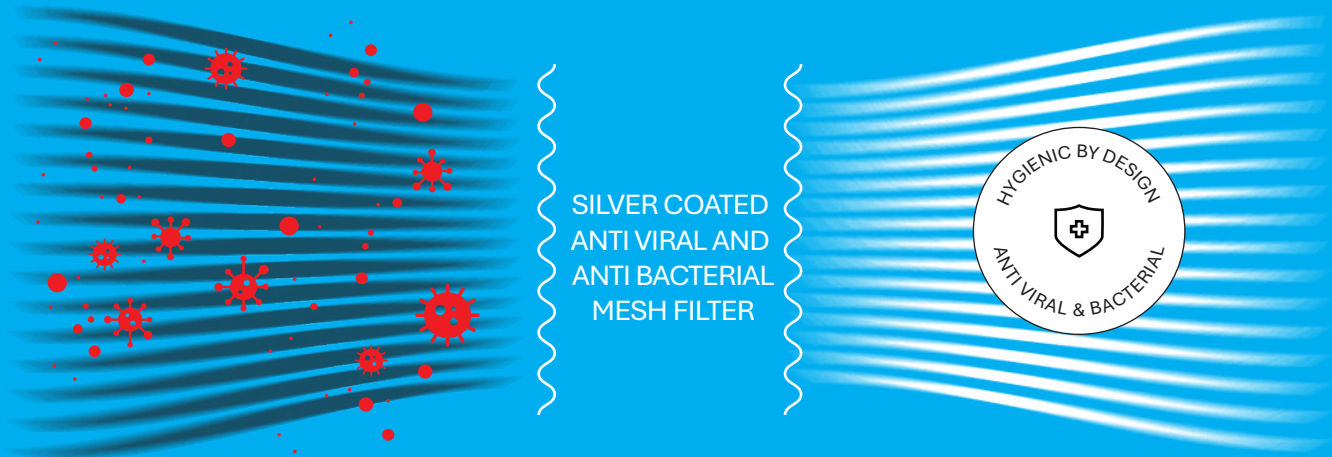

Create a relaxing atmosphere. Infuse your space by adding your favorite fragrance in the water tank

HEALTHY IN AND OUT

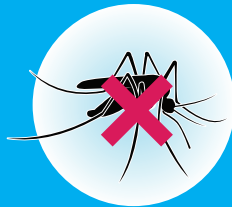

SINGER
ORIGINAL SINCE 1851.

Our anti viral, anti bacterial mesh filter traps dust, pollen and soot, so you and your family can enjoy cleaner air with fewer sneezes, coughs, and irritations. Plus, it's easy to remove and clean—making healthy living simple and stress-free.

BREATHE CLEAN AIR WITH OUR MESH FILTER

Mosquito & Bacteria-Free Comfort

No wet pads, no stagnant water prevents mosquito breeding and algae growth

Easy to Clean Water Tank

Pull out the water tank and wipe it clean with a soft cloth

Easy to Clean Mesh Filter

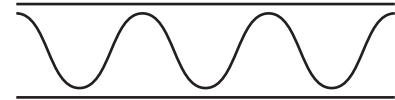

Enjoy healthier air effortlessly. Cloud X features an easy access to mesh filters, making cleaning of mesh filters easy and convenient.

CLOUD X
COOL FAN

SAFE AND SILENT

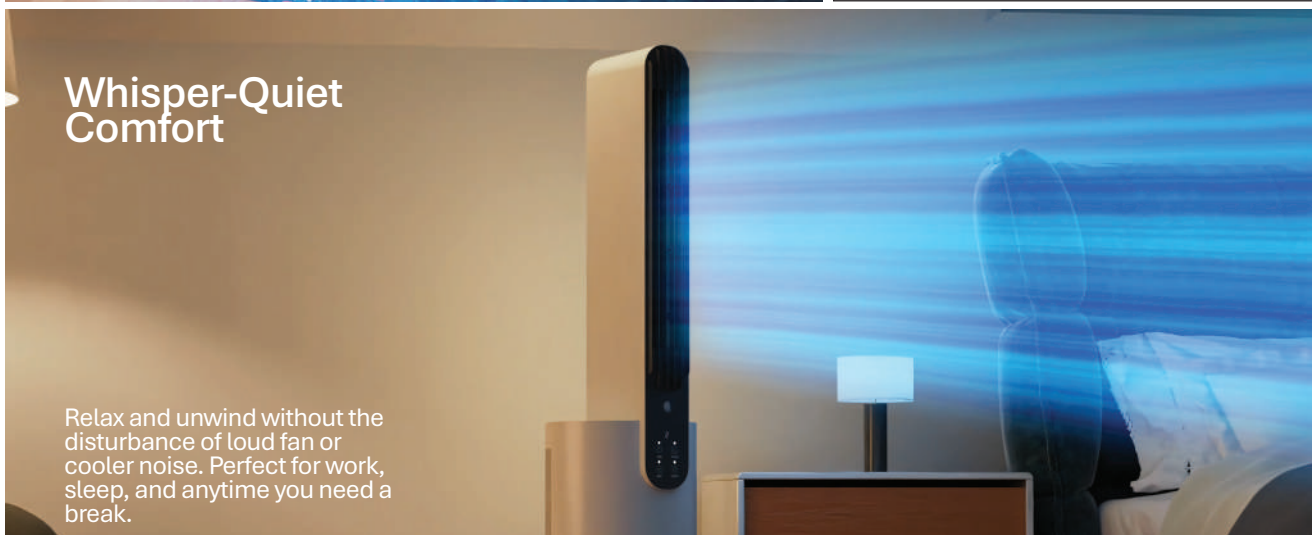

Inverter Compatible

Pure Sine wave

Works best with pure sine wave inverters, so you can enjoy cooling even during power outages.
